-------------------------------	----------

Using Apache NiFi

For more information, see the [Apache NiFi User Guide](#).

Important:

The Apache NiFi documentation is available both online and within the NiFi User Interface (UI). The online documentation consistently reflects the latest NiFi version. If you are using an earlier NiFi version, content differences may exist between the latest documentation and the version you would need. You can access the documentation specific to your NiFi version directly from the NiFi UI:

1. Launch the NiFi UI.
2. From the Global Menu, select Help Documentation .
